*A luxurious facial featuring French Caviar Extract and a blend of premium skin-nourishing ingredients sourced from around the world, designed to brighten, deeply hydrate, nourish and revitalize the skin for a smooth, radiant, youthful-looking complexion.*

**French Caviar Extract**
Helps soothe the skin while replenishing moisture for a soft, nourished appearance.

**Japanese Marine Collagen**
Rich in amino acids to nourish and condition the skin, leaving it feeling smooth and supple.

**Korean Camellia Extract**
Provides antioxidant support and helps protect the skin from environmental stressors.

**Swiss Vitamin B3**
Helps brighten the appearance of dull skin and promote a more even-looking complexion.

**Canadian Arbutin**
Helps reduce the appearance of uneven pigmentation and supports a clearer, brighter-looking complexion.

**German Hyaluronic Acid**
High-purity, high-molecular-weight hyaluronic acid that helps form a moisture-retaining layer on the skin for lasting hydration.

|---|---|---|
| **Premium Fresh Exosome** | Discover the future of rejuvenation with our advanced MSC-derived exosome injections. Utilizing state-of-the-art exosome separation technology, we extract concentrated exosome pellets that are meticulously analyzed with flow cytometry to ensure purity and potency. | 36,400 / Bottle (5 ml) |
| **Fresh Exosome** | Our injections can be used alone or combined with MSC injections for enhanced results. They work from within to rejuvenate your skin, stimulate elastin and collagen production, hydrate with hyaluronic acid, and slow cell degeneration. Enjoy reduced pigmentation and dark spots for a radiant, even complexion. Experience the flexibility and effectiveness of our pioneering exosome therapy. | 32,400 / Bottle (5 ml) |
| **Revive Exosome** | EXO-25 The Next Level of Skin Regeneration, this advanced exosome formula activates key repair pathways, boosts antioxidant defenses, and reduces inflammation. With higher concentration and volume, it treats chronic skin issues, acne, and scars more effectively. EXO-25 also stimulates collagen, smooths wrinkles, and revitalizes skin across the face, neck, and scalp for a firmer, clearer, more youthful glow. | 33,000 / Bottle (5 ml) |
| **Restylane Filler** | A versatile dermal filler, Restylane offers long-lasting results. Its natural-looking effects preserve facial expressions without the risk of allergic reactions. With over 20 million treatments worldwide since its launch in 1996, Restylane remains a trusted choice for enhancing facial aesthetics. | 19,000 / CC (1 CC) |
| **Juvelook** | The injection of PDLLA combined with HA helps stimulate collagen production within the skin, aiding in the rejuvenation of skin structure. It makes the skin firmer and reduces wrinkles caused by skin aging. Additionally, Juvelook helps the skin appear smoother and more radiant. | 19,999 / Bottle (50 mg) |
| **Collaju** | A highly purified Atelocollagen that undergoes a Telopeptide removal process to achieve a perfect Triple Helix structure, ensuring excellent biocompatibility with the skin. It replenishes collagen directly within the dermal layer without the need for stimulation, helping to firm, smooth and tighten the skin while reducing fine lines and sagging. The result is naturally youthful, supple and revitalized skin. | 19,900 / CC (1 CC) |
| **PRP (Face / Neck)** | Taking a holistic approach to stimulates collagen, firms sagging skin, reduces acne scars, and targets hyperpigmentation, revitalizing the skin. By utilizing plasma and platelets from your blood, it taps into the body's healing mechanisms to enhance skin health and volume, diminishing fine lines and wrinkles for a more youthful look. | 15,000 / Time |
| **Premium Factor (Face)** | Rejuvenating the skin, it reduces wrinkles, acne, and eye bags, while improving elasticity and texture with an even tone color. It stimulates epidermal renewal for softer, radiant skin, and brightens pigmentation, refines pores, and adds a healthy glow. | 15,000 / Time (5 ml) |
| **PureGlow Essence** | It's a skin whitening and rejuvenation treatment that brightens and accelerates healing. Packed with HA & Collagen to hydrate, PDRN, Growth factors, and Peptides to regenerate skin cells, and Glutathione to reduce dullness and pigmentation, it targets uneven tone, acne scars, fine lines, and dryness for a youthful, radiant complexion. | 4,200 / Time (4 CC) |
| **Derma Boost** | Detoxifying the skin combining natural healing with Homeopathic principles. It contains active ingredients that help treat acne, exfoliate skin cells, and eliminate toxins trapped beneath the skin. Additionally, it helps replenish essential vitamins and nutrients to strengthen the skin cells, promoting healthier skin without leaving any residue beneath the surface. | 4,900 / Time (5 CC) |

|---|---|---|
| Babi Neo One Premium Fat Removal (Face / Body) | Accelerating fat dissolution, cellulite reduction, and skin tightening safely, BABI neo one harnesses natural extracts and herbs from America and South Korea. It breaks down fat, enhances collagen production, and improves skin elasticity. Moreover, it boosts blood flow, aiding faster fat absorption and reducing swelling and inflammation. | 6,000 / Bottle (10 CC) |
| Allergan 50 units Botox (Face) | Often referred to as the gold standard of injectable botulinum toxin type A, Botox is derived from a protein produced by the bacterium Clostridium botulinum. When injected into specific areas, it blocks nerves from releasing chemical signals, leading to muscle contractions that effectively reduce fine lines and wrinkles, offering a remarkably transformative effect | 18,000 / Bottle |
| Allergan 100 units Botox (Face) | | 30,000 / Bottle |
| Acne | Rapidly fighting inflammation within acne lesions, this treatment helps reduce the redness, swelling, and pain associated with cystic acne. Additionally, it helps decrease signals sent to white blood cells to attack the present bacteria. | 300 / Spot |
| Keloid | Reduces scar size and appearance. This treatment can significantly alleviate itchy and painful symptoms. | 1,000 / Spot |
